15<sup>th</sup> International Conference on X-ray Absorption Fine Structure  
22-28 July 2012 – Beijing (China)

## 1<sup>st</sup> Announcement

Dear colleague,

The 15<sup>th</sup> International Conference on X-ray Absorption Fine Structure (XAFS XV) will be held from July 22 to July 28, 2012 in Beijing. The general scope of the conference is the presentation of the state-of-the-art of X-ray Absorption Fine Structure theory, experiments and related techniques.

### ***Important dates***

Conference will start on Sunday 22<sup>nd</sup> July and will end on Saturday 28<sup>th</sup> July 2012. Dates and deadlines of the conference are the following:

- | 1 November 2011 - 30 March 2012: abstract submission
- | 1 April 2012: author notification
- | 15 April 2012: early registration deadline
- | 15 June 2012: end of on-line registration
- | 30 June 2012: accepted manuscripts submission

Information will be available at the URL: <http://www.xafs15.org> where it will be updated continuously.

We are please to invite you to attend this exciting meeting and present your recent research on XAFS theory, methods and techniques and all possible applications in physics, chemistry, materials science, life sciences, environmental sciences, etc. to researchers and students coming from all over the world.

Looking forward to meet you in Beijing,

Sincerely yours,

Ziyu Wu (吴自玉)

Chairman of XAFS-XV conference

Chairman of Chinese Specialized Committee on Synchrotron Radiation

Professor & Director

National Synchrotron Radiation Laboratory

University of Science and Technology of China

230029, Hefei Anhui, China
